

Executive Director

The SHINE Initiative is seeking an Executive Director to advance the organization's mission of building awareness, supporting research, improving services and advocating for public policy in the fight against mental illness in children and young adults.

The Executive Director identifies and cultivates major donors, develops and implements strategic initiatives in conjunction with the Chairman and Board of Directors, and stays connected with mental health agencies and trends within the industry to help identify future change initiatives.

Successful candidates will possess the following:

- Enthusiasm for the SHINE Initiative's mission
- Ability to interact with a variety of stakeholders to achieve desired results
- Proven ability to execute strategic objectives
- Experience in fundraising/development

To be considered, please submit a cover letter, resume, and salary requirements to:
